Over Runs or Under Runs Policy

Our standard policy on over runs or under runs is not to exceed plus or minus 10% of the order quantity on orders of 1000 or more. PrintWest will bill for actual quantities delivered within this tolerance. If customer requires a guaranteed "no less than", "no more than" or "exact count" order quantity, please advise your PrintWest sales representative when requesting an estimate or placing your order. If your needs include a billable quantity outside of our standard, you need to advise your PrintWest salesperson or CSR of the requirement. **This estimate is valid for 60 days.**
